

100 Yard Match

Special Match Date

Wednesday, October 25, 2017

The October 100 Yard Match/Clinic will be held on a special date – **Wednesday, October 25th**. Cancel that golf game, call in sick (I'll write you a note), tell everyone you are visiting relatives or whatever else you need to do to get away and come out and shoot with us! We will shoot our normal 50 shot match followed by several “shoot off” type matches.

FREE BBQ LUNCH for participants! Lunch will be catered by Sawyer Brothers BBQ courtesy of David Harmer and Driven Technologies!

Since it is a special match we are going to do things a bit differently:

- Match Fee for this special match is \$5 per person, juniors (20 and under) free.
- All money from match fees will be given out as awards – I will cover non-member club fees.
- Instruction/clinic will not be included; we are just going to shoot!
- Course of fire will be the normal fifty shot match course (plus sighters), then several shoot-off type matches just for fun. Bring extra ammo!
- The “shoot-off” matches will be similar to what Bob Reiber use to run:
 - Bowling pin shoot: Double elimination shoot off, 100 yards, standing position, no shooting jackets or shooting gloves. Knock down the pin and you advance, miss twice and you are eliminated.
 - Closest to Mark shoot: One shot only, prone position.
 - Third match will be a surprise – last time we shot at ping-pong balls hung by strings and participants did surprisingly well! I will have to get more creative this year! 😊
- Normal match rules apply – **no scopes or optics, iron sights only** – Rimfire or centerfire.

Non-members welcome!

Come out and enjoy a Wednesday at the range!

Be there no later than 8:30am. Shooting starts at 9am.
