River Bend Gun Club – Dawsonville, Georgia

This year's GSSA/RBGC Rifleman's Weekend is on Oct. 17&18. (Rescheduled due to Pandemic). These are fun and easy matches to participate in. The match course is designed for the first time shooter and is organized so there are plenty of experienced shooters available for questions or advice during the match. All you really need to participate is a rifle and at least 55 rounds of ammunition. Information and registration forms available on the River Bend Gun Club website (www.rbgc.org) or just search the internet for "Rifleman's Weekend". You can also contact the Match Director at ben@rbgc.org.
