

After eleven years of service as Club Manager, Mr. Bill Dittman has announced his intention to retire after the 2018 Annual Business Meeting. We will miss Bill's contributions to the success of River Bend Gun Club and we hope he enjoys a long retirement.

The River Bend Board of Directors is therefore seeking candidates for the position of Club Manager. This is a full time salaried position and will require some weekends, and attendance in board meetings.

The successful candidate should be a "people" person, dealing with club members. The Club Manager is responsible for the day to day operations and maintenance of the club.

The Club Manager works directly for the RBGC Board of Directors.

Resumes should be submitted no later than 5:00 P.M. March 31, 2018 to:
