M1 Carbine, Black Powder Muzzleloader, Shotgun, 22 cal pistol, and air rifle in a safe, supervised learning environment.

*“RBGC's annual Young Shooters Challenge is a great way to introduce our young people to the challenging and rewarding lifetime sport of shooting”*

There are no membership requirements to enter the YSC and registration is open to all youngsters from 8 to 18 years of age who are accompanied by an adult during the event.

All firearms, ammunition and targets will be provided by the sponsor – *no personal firearms, ammunition or targets will be allowed.*

Registration is limited to the first 120 participants who submit completed registration and liability release forms. **Registration will open around the first of August 2016. This event does fill up quickly.**

Complementary lunch will be provided to participants and their accompanying adults.

This annual event serves both RBGC members and youth in our community by providing an opportunity to learn firearms safety and marksmanship as well as experience the thrill of shooting a variety of rifles. Safety instruction will be provided prior to each activity. All firing will be supervised by adult volunteers knowledgeable in the particular shooting discipline.
