

# The Bullet-IN

River Bend Gun Club is a club for members, founded in 1958. Issue No. 289 October 2021

## Physical Infrastructure Improvements

During the monthly Board Meeting on September 13, 2021, the Board of Directors approved several improvements to the club's access roads and ranges. The projects approved will allow easier range use and access, will increase convenience for members and guests and will allow easier access to ranges by maintenance and emergency vehicles, especially during inclement weather.

Some of these projects are already complete and the rest have been scheduled during the month of October during weekdays when they will present a minimum of inconvenience for members and guests. Specific ranges will be temporarily closed during paving and concrete work and will be marked with a "Range Closed" sign. Please do not attempt to enter a range marked with a "Range Closed" sign. Details and scheduling appear below. Some scheduling may require adjustment due to contractor schedule changes and/or weather conditions.

### Paving Projects

All paving is scheduled for October 11 through 15.

- Part 1 – Pave access road to 22 Rimfire Rifle Range
- Part 2 – Pave access road to Centerfire Rifle Silhouette Range
- Part 3 – Pave Centerfire Rifle Silhouette Range road extension behind the firing line
- Part 4 – Pave access road to Bullseye Pistol Range

### Grading of Centerfire Plinking Range Bays 1 and 2

All grading was completed on September 24, 2021.

- Grading Bays 1 and 2
- Spread three loads of #5 gravel to cover stabilize soil on bays and adjacent roadway.

*(Continued from page 1)*

## Concrete Work

All concrete work is scheduled for the week of October 4 through 8.

- Pour two 8' x 10' concrete pads, one each at firing lines on Centerfire Plinking Range bays 1 and 2.
- Pour two 8' x 10' concrete pads, one each at firing lines on Action Pistol bays 4 and 5.
- Pour one 10' x 12' concrete pad at entry gate near the flag pole and information kiosk.
- Remove cracked concrete pad on the Rimfire Plinking Range and pour one 10' x 20' reinforced concrete pad to replace it.

Will Owensby

## Women on Target Pistol Clinic

Come join the fun! The next **Women on Target Pistol Clinic** is Saturday, October 9, 2021

The clinic starts at 8:30 am in the Gene Mowell Conference Center. Several women NRA Pistol instructors facilitate the classroom sessions on firearm safety; parts and functions of revolvers and semi-automatic pistols; ammunition knowledge; the shooting fundamentals and answer your questions. The Club provides lunch, then we head to the range for a one-on-one shooting experience with our wonderful volunteer coaches!

Click on link to register online: <https://tinyurl.com/y4bec34k>

At the August clinic, competitive shooter Mary Stewart, encouraged the ladies to continue their shooting experience and improve their marksmanship skills by inviting everyone to participate in the Steel Challenge Competition on the second Sunday of every month. She explained the courses of fire, typical range commands, and how to sign up online. Club President, Will Owensby, then joined us to describe the various ranges at the club, membership benefits, new member orientations, and the Action Pistol competitions on the third Saturday each month. All the competitions are open to the public, so there is always a match and helpful club members to assist new shooters!

Questions: email Kathy Rioux at [legacyost@gmail.com](mailto:legacyost@gmail.com)

# Assistant Chief Range Officer II Needed

River Bend Gun Club needs two additional ACRO II employees to help patrol ranges, answer questions, provide assistance to members and guests, collect sign in sheets and various other administrative tasks, as required. This is a part time job with a flexible schedule that pays \$18.00 an hour to start.

For people with an outgoing personality who enjoy helping others and making friends, the ACRO II job is quite rewarding. The club does not currently have enough employees working on the Chief Range Officer (CRO) Team to adequately handle the number of members and guests who use the various ranges, especially on weekends and holidays. If you want to help the club and its members and guests, if you enjoy working with others and you can work for a few hours on a couple of weekends per month, the club needs you.

The job description and instructions for who to contact and how to apply follow:

## **Job Description** **Assistant Chief Range Officer II (ACRO II)**

River Bend Gun Club continues to seek club members who meet the qualifications for the ACRO II job as described below. This is an hourly position with flexible hours that pays \$18.00 per hour.

### **Mission Statement:**

The mission of the Assistant Chief Range Officer II (ACRO II) is to consistently demonstrate a professional and courteous demeanor while representing the club, Club Management and the Board of Directors to members and guests. The ACRO II is required to support the Chief Range Officer (CRO) and Assistant Chief Range Officer (ACRO) in public relations activities with members and guests, to patrol the shooting ranges and club property, to ensure that the RBGC Range Rules are adhered to by all members and guests and to perform assigned administrative duties as required.

### **Job Duties:**

1. Work approximately 30 to 40 hours per month including at least four weekend days and two to three weekdays per month. Hours and days worked are flexible depending on individual situations.
2. Patrol RBGC shooting ranges and club property.
3. Gather all sign in sheets from all ranges monthly.
4. Interface with members and their guests as necessary to answer questions, provide needed information, enforce the Range Rules and provide additional assistance as required.
5. Conduct the physical range tour portion of the monthly New Member Orientation for perspective new members.
6. Conduct monthly Tactical Rifle certification clinics.
7. Work as a coach for instructional events such as Women On Target.
8. Prepare written reports of observed and reported rule violations

### **Job Requirements:**

1. Applicants must possess well developed interpersonal skills that enable them to interface with members and their guests in a professional, courteous and friendly manner whether they are offering assistance or are discussing Range Rules violations.
2. Applicants must be mature and level headed enough to remain professional when interacting with members

*(Continued on page 5)*

## Assistant Chief Range Officer II Needed

(Continued from page 4)

and their guests who may become condescending, belligerent or confrontational.

3. Applicants must possess a thorough understanding of RBGC Range Rules, shooting range operations and must possess a broad working knowledge of different action types and firearms operation.

### **Organizational Structure:**

The ACRO II reports directly to the CRO. In addition, the ACRO II is expected to maintain a close working rapport and communication with the ACRO, the Club Manager, the Shotgun Hill Manager, the Club President and members of the Board of Directors.

### **Instructions:**

Applicants interested in the ACRO II position should submit their resume to Jim Garner, Club CRO at [cro@rbgc.org](mailto:cro@rbgc.org)

Resumes must include candidate contact information including an email address and phone number, a description of shooting related qualifications, a detailed employment history for the past ten years and a summary of education completed. Questions regarding ACRO II job responsibilities or the application process should be directed to Jim Garner via email at [cro@rbgc.org](mailto:cro@rbgc.org) and may also be asked during the interview.

Interviews with qualified candidates are pending and will be scheduled as soon as resumes are received. All qualified candidates will be notified of their interview date, time and location in advance.

Will Owensby  
RBGC Club President

## Women on Target Needs Coaches (this means you)

Saturday October 9<sup>th</sup>, 2021 is the date the Women On Target needs a handful of coaches to assist first-time firearm handling ladies how to shoot. Meet at Noon at the Mowell Conference Center for a few hours work on AP-5. The goal is for one lady, one coach with .22LR on paper targets a few yards out. If you have a .22LR pistol, please consider teaching with it.

To pitch in and help with this club event, email [cro@rbgc.org](mailto:cro@rbgc.org) with "WoT" on the subject line.

Oh? Did I mention the free lunch? Coaches get fed.

Thank you and see you on the range!

James 'Maverick' Garner  
River Bend Gun Club  
Chief Range Officer  
770-235-7962

## Dawsonville Ballistic Challenge XIV

YOU (River Bend Gun Club Members) have been the core of our match success over the years, so come out on the 20th and 21st of November and do it again!! Help build up the next generation of sports shooters --and do it with a GLOCK!!

There is no power on Earth that can turn out a gloriously successful Glock match more than the Range Officer volunteers. The Dawsonville match has been the proving ground for that year over year. Your dedication and passion is unmatched --and I need your help! This year, the match slipped from March to November due to the Pandemic, and progress has been made getting past that barrier. Ammo prices continue to shrink while availability grows. The pent-up demand to 'get out' and get back to living as a free people feels as though Hoover Dam is about to burst!

When that break-out happens, Dawsonville ROs need to be there to answer the call, the questions, the how-to's of Glock operation and manipulation. Bring a fellow member of RBGC. Bring a friend. Bring your neighbor. Bring a co-worker. There is no job too small for the talents of steely-eyed ROs when the bough breaks. With this year's 2-day match format, the concentration of shooters flowing through the match is going to be awesome!

Mark your calendars for November 20th and 21st [setup is the 19th and ROs shoot their match]. If you plan to shoot your match on the 19th, helping with setup will be a good thing!

The link below will take you directly to the Glock GSSF page where the Dawsonville-specific forms are waiting for you.

[River Bend Ballistic Challenge RO Forms](#)

Thank you all for everything you do to make Dawsonville the BEST.MATCH.EVER!

**James 'Maverick' Garner**

River Bend Ballistic Challenge  
Match Director

## Highlights of the August 9, 2021 Board of Directors Meeting

President Will Owensby presided over a quorum of six Board members. Also attending were three club officers, the Club Manager, and the Assistant Club Manager. The meeting was convened at 7:00PM on Monday, August 9, 2021. The meeting was held at RBGC's Gene Mowell Conference Center on club property.

A quorum was confirmed, the proposed agenda was amended and adopted, the minutes of the July 12, 2021 Board meeting were approved, and the following officer and manager reports were presented and accepted:

Treasurer Secretary Chief Range Officer Club Manager Shotgun Manager

Board decisions made, actions taken, and items of interest:

- Treasurer Geoff Rhines reported that July FYTD income was \$573K, an increase of approximately \$79K versus the same period in FY 2020.
- July FYTD expense was \$82K, a decrease of approximately \$1K versus the same period in FY 2020.
- Cash in the bank as of 7/31/21 was \$576,851 including \$100,207 in Capital Reserve Fund.
- Club Secretary Erica D'Amico reported that the membership total at the beginning of the August 2021 meeting was 2,064.
- The number of Senior Members in August 2021 was 183 (8.7% of RBGC membership).
- There are currently 22 members on the Life Membership Wait List.
- Chief Range Officer Jim Garner presented the CRO report and reported that 20 of 20 venues submitted Match Use Summary Reports for July. Total entries were 607 (211 members, 382 non-members, and 12 juniors). July match income was \$26,490 with \$2,033 reported to the club.
- Range Use Summary Report for July totaled 1,882 (1,597 members and 285 guests).
- There was a New Member Orientation (NMO) class held on July 27 for 25 of the 29 registered attendees.
- There were 9 Tac Rifle Certifications in July.
- Wes Staton was approved as Hunting Rifle ARO.
- Club Manager Bill Illg reported that Galloway Construction and Consulting has completed the expansion of the Shotgun Hill Club House.
- A tree was removed that fell into the Rimfire Plinking Range.
- The Wayne Taylor Sporting Clays sign has been installed on the Sporting Clays Range.
- All first aid boxes were checked and replenished.
- The archery backboards were replaced and new targets have been hung.
- The damaged plate rack on CF Plinking 2 has been removed. Another plate rack will be installed in a few weeks.
- Assistant Club Manager Greg Hughes reported on behalf of Shotgun Hill Manager Bill Wettingfeld that shotgun range use in July was 459 shooters (402 members and 57 guests). 1,572 rounds were fired during the month with 29 cart rentals. Total July revenue to the club was \$9,761.
- The Board approved 15 new members.
- Facilities Committee Chairman Art Thompson reported that they have sent out bids for paving project on July 29 and they are due August 20. The committee will have final price by September board meeting.
- Insurance Committee Chairman Geoff Rhines reported that the club's current coverage ends 8/17/21. Reviewing potential new carrier.
- Public Relations Committee Chairman David Norcross reported that the August Bullet-IN reached 2,118 recipients. Open rate was 61% and 29% of members clicked through the newsletter.
- Scholarship Committee Chairman Ernie Knoche reported that \$9,500 has been received in renewal donations.
- Training Committee Chairman Jerry Rioux reported that going forward there will be one training class per month. It has been determined that the main interest in training is for basic classes.

*(Continued on page 8)*

# Official Club Business

(Continued from page 7)

- Will Owensby reported that the Young Shooters Challenge registration went live at 9AM on August 1, and had 120 registered for the event by 3:24PM and is now full. There are currently 42 volunteers registered for this event.
- On Saturday, August 7, at 11AM a Georgia Power contractor had a helicopter with a saw blade flying overhead within a few feet of guests on ranges to cut trees. The match had to be stopped and participants had to stand in front of the bays. The helicopter also had to land to refuel. RBGC was not notified of any work to be performed by Georgia Power on August 7. Per the RBGC agreement with Georgia Power, Georgia Power is not supposed to perform maintenance on property on Saturdays and without prior notice. The RBGC attorney and Georgia power will be contacted regarding the dangerous nature of the event on August 7, 2021.

Regular monthly Board meetings are called to order at 7:00 PM on the second Monday of each month in the Gene Mowell Conference Center. RBGC members and families are cordially invited to attend.

## August Smallbore Rifle Prone Match

On August 28 we fired an NRA-approved Metric 1200. We had twelve competitors, seven shooting with a sling and five shooting F-Class. Both classes of competitors fired on the extremely challenging Metric targets, the same targets used in international smallbore competition.

Mike Carter won the sling division doing it the hard way, shooting with iron sights all the way. The other notable aspect of the sling competition was the monthly battle for dominance between Doug McNash and Matthew Whitley, who, as usual, were barely separated when the final results were tallied, with Doug prevailing by a single point.

### The top four in the sling division:

Mike Carter 1163-55

Steve Hardin 1157-49

Doug McNash 1149-47

Matthew Whitley 1148-37

In F-Class, John McBrayer, Dave Rabin, and Simon Bailey were neck-and-neck all day, and when the dust cleared, they were separated by only two points. John won with an exceptional score of 1193-83, only one point and six Xs below the F-Class range record set last year by Simon Bailey. John just started shooting smallbore last year and he has come on strong very quickly. Congratulations, John!

### The top four in F-Class:

John McBrayer 1193-83

Dave Rabin 1192-78

Simon Bailey 1191-77

Joe Ettershank 1183-71

The full match report can be accessed by visiting our [venue page](#).

For further information, please contact Dave Rabin at [smallbore@rbgc.org](mailto:smallbore@rbgc.org)

-----Dave Rabin

## Light Rifle Match Report

With a pair of cool dry days leading up to Labor Day, there were high hopes for moderate dry and comfortable conditions at the September Light Rifle match. What materialized from those hopes? Soup. As in very muggy cool but soupy conditions. The early rain and mist didn't stop 14 steadfast competitors from attending the match, including one new shooter.

Still conditions started the first stage, with Simon Bailey jumping out to a slim lead over Bob Morris based on center shots with Bailey's 93-2X just edging out Morris's 93-0X. George Wilson and Mauro Bisiacchi were tied in third place with a pair of 91-0's. First time program shooter Dennis Radek fired a very solid 85-1X on his first competition target. King Stracke and David Massengill fired 89's while the Junior Massengill, Xander, fired an 87.

Consistency proved to be the key to the day although good individual stages did help keep some shooters in the fray by overcoming their unwelcome weak stages.

In the second stage, Morris, Wilson, Massengill and Bisiacchi all posted between 88 and 91 while Bailey and Stracke didn't do quite as well, seemingly slipping out of contention, by firing an 85 and an 82 respectively. A welcome cooling breeze rose by stage three which saw Wilson and Morris again shooting consistently, while Bailey set what would turn out to be a match high 94-2X, to help move him back into contention. Bisiacchi had an unfriendly stage, posting a 79-0X while both Massengill's continued to shoot consistently keeping them in contention for class honors.

The fourth stage saw Wilson drop back a bit posting an 85, Bailey only managed an 80 while Morris maintained first place with an 89-1X. Both Stracke and Bisiacchi fired in the low 90's bolstering their positions. The Massengill boys slipped just slightly but still posted consistent scores in the upper 80's.

Consistency did finally reign in the final two stages as Morris finished with a pair of 91-0's to secure first place, Bailey managed a pair of 87-0's to secure third sandwiching Wilson in second place just four points ahead of Bailey.

Bisiacchi fired an 88-1X to finish 1st Sharpshooter. Xander Massengill ended on a strong 88-0X to secure 1st Master while Father David finished as 1st Marksman with a 522-1X.

Congratulations to all the winners, please see the Match Bulletin posted on the [website](#) for the full results.

Bob Morris	- 547-2X	- Match Winner
George Wilson	- 530-0X	- 2nd Place
Simon Bailey	- 526-4X	- 3rd Place
Xander Massengill	- 523-3X	- 1st Master
Mauro Bisiacchi	- 517-1X	- 1st Sharpshooter
King Stracke	- 485-1X	- 2nd Sharpshooter
David Massengill	- 522-1X	- 1st Marksman
Matt Whitley	- 501-0X	- 2nd Marksman

(Continued on page 11)

# Light Rifle Match Report

*(Continued from page 10)*

The next match will be the Club Championship Match to be held on Saturday, October 2nd, 2021. The Championship match will be a 60-shot match fired at 50 ft. After the match is over, two one shot fun matches will be fired with a brick of Match ammo awarded to each match winner.

Grab your 22 rifle and come on out and join the fun and friendly competition.

# Rimfire Benchrest Match Report

Simon Bailey

The final Rimfire Benchrest match of the season saw 15 competitors gather under gray skies and muggy, but still, conditions. The firing started with a 15 minute practice period prior to the start of the real action.

Only two Semiautomatic class shooters were on hand, the husband and wife team of Paul and Angelina Lemley. Both were using Brownell's action rifles with a 16" KSA barrel on Angelina's rifle and an 18" on Paul's. Angelina put her rig to good effect, besting husband Paul on the first card with a very solid 246-5X.

Six competitors were shooting in the Factory class, with Drew McKay jumping out to his usual lead using his Lithgow 101 and posting a 249-11X. Bob Morris using his Kimber 82G fired a 248-8X to keep McKay within reach while Alan Rauber and his BSA International used his Wolf ammo to post a 246-3X.

In the seven person Unlimited class, Pat Patterson started out by posting a clean card using his X-III/Muller rig and Eley Match to put a 250-18X on the board. Joe Ettershank fired Center-X through his Anschutz 1927 fired a 248-7X to move to second. Three shooters posted 246's – Grant Toman 18X, Simon Bailey 14X and Dave Rabin 13X.

The second card simply tightened the scores even more. In Semiauto, Paul came back with a 245-5x, but remained one point behind Angelina. In Factory, Morris fired another 248-8X while

McKay fired a 247-6X to maintain the lead by only 1X tied at 496. Neal Shadden, using his Savage, posted a solid 247-8X to move into a tie with Rauber separated only by X's – 12 for Shadden and 7 for Rauber.

In Unlimited class, Patterson fired a 248-18X to maintain 1st place while Ettershank fired his second 248 (this time with 18-X's) to maintain second place. Toman fired a 249-16X to move to third place while Bailey, Rabin and John McBrayer all fired 248's to tie for fourth.

The winds, by now variable and frustrating, continued to cost points, but overall, the conditions were readable. Still, odd things did happen, with several unexpected high shots being reported along the line.

*(Continued on page 13)*

## Rimfire Benchrest Match Report

*(Continued from page 12)*

On the third card, Paul Lemley fired a second 245 to move 5 points ahead of Angelina, while McKay returned to 249 form putting a second 249-11X on the board to separate from Morris who managed a 246-11X. Rauber and Shadden also separated as Rauber posted a 244-7X to Shadden's 242-7X.

In Unlimited, Toman fired a clean 250-23X, yes, 23X – to move to within one point of Patterson who fired a 248-16X. Bailey put in a 248-18X to move into a tie with Ettershank for third as Ettershank fired a 246-12X. Robert Powers posted a very solid 249-16X – a personal best.

At the very end of firing the third card, the threatened rain finally arrived and resulted in about a 40 minute delay. As the rain tapered

off, the fourth cards were hung, and firing resumed just as the rain ended. With the very still conditions caused by the rain, high scores were expected.

Angelina excelled on the last card posting a 249-7X to overcome Paul's 242-5X and end the match in 1st place by two points. This was her first ever match win and she took home family bragging rights! McKay and Morris both scored 248's – McKay with 10-X's and Morris with 8, leaving McKay the Factory class winner by 3 points.

In Unlimited class, Toman slipped horribly only managing a 250-22X – yes, he slipped 1X from the last card – to secure first place with an aggregate 995-79X over Patterson whose 247-15X left him two points back in second place. Bailey managed a 247-14X to squeak out a third place 989-58X.

At the conclusion of the match and after the scoring and tabulating was complete the finish positions were announced, and the prize money was awarded. Everybody agreed that it was a great match to end the season.

A hearty congratulations to all winners. For the full results, please see the Match Bulletin on the [Website](#) or the Forum.

*(Continued on page 14)*

# Rimfire Benchrest Match Report

*(Continued from page 13)*

## Unlimited 22 – 7 competitors

Grant Toman	995-79X – 1st Unlimited
Pat Patterson	993-67X – 2nd Unlimited
Simon Bailey	989-58X – 3rd Unlimited

## Factory 22 – 6 competitors

Drew McKay	993-38X – 1st Factory
Bob Morris	990-35X – 2nd Factory

## Semiautomatic 22 – 2 competitors

Angelina Lemley	972-22X – 1st Semi-auto

This was the last match of the 2021 season, so to join in the fun – and this match really was fun – look for the schedule for the 2022 season on the website and forum and come join us next season.

## Action Pistol

### Our “Say Goodbye to Summer” Match

Saturday, September 18th, the River Bend Action Pistols Bays once again came alive for a full day of Action Pistol. Under overcast but dry skies fifty three Action Pistol shooters showed up to try it for the first time, try it with their trusted and reliable go-to gun, or for fifteen adventurous types, try it with that magnificent creation of John Moses Browning, the Model of 1911, 45acp. For those who met the challenge to bring out a real gun, the stark reality of competitive magazines changes made them realize the importance of practice, practice, practice.

#### Bay 1 – What Color???

One of our very own shooters came up with the twisted idea of introducing multi-color no-shoots to the already frustrating world of Bay 1 steel. Hey, all you have to do is remember one single color, red, green or blue for only 31 to 242 seconds and don't shoot that color. How hard can that be? Apparently going out to lunch arrived early on Saturday. Beeper goes off and there go all higher level brain functions and most motor skills. Some things are simple to see but not simple to do. Entertaining to say the least.

(Continued on page 16)

## Action Pistol

*(Continued from page 15)*

### Bay 2 – The Last Football Season in Afghanistan

For many years we've had a stage in September that celebrated the fall football season and for past few we've designed it to reflect a reality that in some parts of the world, if you want to play football, you might want to carry a gun too. Well, harsh realities have come to pass and hopefully this will be the last time we scenario that part of the world. But as a tribute, we still wanted to give everyone a chance to play and shoot. The shooting was skilled. The football passing could stand a little work.

*(Continued on page 17)*

## Action Pistol

*(Continued from page 16)*

### Bay 3 – The Kenosha Mile

In honor of the ongoing travesty surrounding Kyle Rittenhouse, we once again dedicated a stage to the infamous Kenosha Mile. Lots of running, lots of threat targets, and quite a few getting lost along the way. Adrenalin and cardio, Action Pistol style.

Again, as is our tradition, the monthly Action Pistol Match was followed up with another great lunch with Art Thompson on the grill and Karen Busey bringing us a magnificent homemade lasagna.

Our shooting match continues to support fine dining and caloric overload River Bend Style as an event that no one wants to miss. Of course the match and lunch were topped off with door prizes of ammo and cleaning gear. Another fine day with friends new and old.

Thanks again to the Action Pistol RO's and Support Team plus all the competitors who show up to help set up, get us going and keep us safe and organized.

**NEXT UP:  
ACTION PISTOL ZOMBIE MATCH XIII  
OCTOBER 16th**

## Georgia ICORE

The **International Revolver Championship** is in the record books and GA ICORE couldn't be prouder of its member's performance at Shoot Out Lane. Ted Pesta finished 2<sup>nd</sup> in the Limited Division Final Shootout against some really stiff competition. And Craig Seymour (yes, he did move to Rochester recently, but we still count him as our own) finished 2<sup>nd</sup> in the regular Championship event, and beat Jerry Miculek in the Final Shootout. Our other members also had some strong finishes. Congratulations to all.

### And now, back to our regularly scheduled matches

The next match is Saturday, October 9<sup>th</sup>, at the Action Pistol Ranges. The Match Director might set up some of the IRC stages to give those who couldn't attend a taste of that event. The entry fee is only \$15 (\$5 for 2<sup>nd</sup> gun). You do not have to be a member of either ICORE or River Bend to participate. Meet at Action Pistol Ranges, with; setup at 7am, if you'd like to help, registration opens at 8am, a short shooters meeting at 9am, and then hammer down. First time shooters will need to meet up prior to the match for a safety briefing.

As a chapter of the International Confederation of Revolver Enthusiasts, ICORE, we serve to promote enjoyment and satisfaction in action shooting competition with revolvers. We're about safety and having fun while improving our shooting skills.

ICORE combines elements of the other pistol shooting disciplines into a fun competition exclusively for revolvers. Scoring is based on time with extra seconds added **or subtracted** depending on the accuracy of the hits. Steel plates as well as other reactive targets are also used in ICORE events. For more info got to [RBGC.ORG](http://RBGC.ORG) and look under Shooting Venues – Action Shooting Sports.

Caliber wise, anything from .32 up with .38spl, 9mm and .45ACP being the most common. .22lr Rimfire shooters are welcome, but will be scored separately. Because of the steel targets no magnum, P+ calibers, hollow point, steel core or hyper velocity rounds. Only lead, coated lead, jacketed or plated bullets.

We have an active Facebook page under “**Georgia ICORE**” and use PractiScore for registration and for posting scores. On-site registration is welcome. So grab your gun, holster, ammo, speedloaders & holders, and eye & ear protection and join us for a great time. For the latest info or additional questions, check the FaceBook page or email [ICORE@rbgc.org](mailto:ICORE@rbgc.org)

### MORE MATCHES – MORE FUN

The GA ICORE season has been extended this year. There will be matches in November and December as well as the regularly scheduled match in October. The club will take January and February off and start the 2022 season in March. Mark your calendars and reload your brass.

## River Bend Gun Club Road, Dawsonville, GA

GPS Coordinates: N34 20.198 W084 14.819

### Shotgun Hill Hours:

OPEN Thursday - Sunday 10am - 6pm last round must begin prior to 5:30 pm

CLOSED Monday - Wednesday

### Club Hours:

Club hours are from sunrise to sunset (specific times for specific dates are listed on the RBGC and other weather sites) on all ranges except the shotgun ranges, which are open late on certain days of the week, light and weather permitting (check the website for scheduled days and hours of operation). Evening shooting (until 9:00 p.m.) will be scheduled periodically on the lighted field. Check the website or contact the shotgun Manager for current schedules.

### Newsletter Information:

When submitting articles, please remember to include a couple of pictures if possible.

Email to [newsletter@rbgc.org](mailto:newsletter@rbgc.org) **Deadline is the 28th of the Month.**
